BMF Summer Breeze is a nice young heifer. There is nothing wrong with her pedigree. She broke her right horn one day when she banged it on the chute. Her left unbroken horn measured 19.5 inches Tip to Tip on 2/28/13 and her total Tip to Tip measurement was 33 1/4 inches. She will still breed true. She is being sold in the commercial portion of the B & C Spring Show Me Sale due to her broken horn. This is your chance at a true
